

Johanna Liukkonen currently works at Nokia's Mobile Phones division as an Industry Marketing Manager. Her work concentrates on industry marketing, government and regulatory affairs in new growth markets in Latin America, Africa, Middle East and Asia/Pacific. She is also leading the Village Phone project. Before joining Nokia, she has held various positions at the United Nations, World Economic Forum, other international organisations and the Ministry. During her career, Johanna has acquired a broad knowledge on governmental relations, public-private partnerships, communications, building information societies and on regulatory issues in the new growth markets. Johanna has a M.Sc. in International Relations from Graduate Institute of International Studies, Geneva.
